Companies signing the “Mediate First” Pledge agree to first explore the use of mediation to resolve disputes arising in the course of their dealings or operations, as the case may be, before pursuing other dispute resolution processes or court litigation.

### THE PLEDGE

Should a dispute arise in the course of our dealings or operations, as the case may be, between other parties and our Company and/or our subsidiaries, we are prepared to first explore the use of mediation to resolve the dispute, before pursuing other dispute resolution processes or court litigation.
